1. Review of Policies

a. Smoke and Tobacco Free Workplace

b. Smoke and Tobacco Free Campus

- Gwen noted that these policies are being presented for preliminary discussion. Thurston County has been working on their policy for 2 years. This would be a big change to our current policy and staff wanted to start with the concept at the policy level. Gwen stated that the Thurston County Public Health Department is going to make a 5-minute presentation at the April Board meeting. The hope is that Timberland will become a Tobacco and Smoke Free Campus. These two policies define the Library's properties as buildings, grounds, and vehicles as well as the definition of tobacco as smoking in all forms.

Jeff Kleingartner, Communications Manger presented a draft communication strategy that will be implemented upon Board approval of the policies. Gwen asked for comments on the idea of Timberland being tobacco free. Emmett stated that he doesn't see this as a big issue to make the changes but he might not understand or know of implications or bigger issues. It was recommended that staff continue to work on the policy and clarify details before bringing to the Board of Trustees.

c. Collections of Materials Policy

- Members reviewed the changes that reflect the broadened collections that TRL now has. Collection formats have changed and the policy needs to be reflective of what we are currently providing. Suggested changes to the policy include:
 - Originated By will be changed from Support Services to Collection Services
 - Review Date will be changed to March 2016
 - Effective date will be changed to reflect approval date
 - 3a. Added – downloadable videos, DVDs, eBooks, eAudio
 - 4a. Changed selection guidelines to Collections Guidelines
 - 4f. Changed selection guidelines to Collections Guidelines
 - 4g. Added – g – TRL does not maintain an archival collection and may discard materials that are no longer appropriate for the Collection based upon the Collection Guidelines.

d. Dress and Appearance Policy

- TRL staff will be required to wear photo identification badges. The new identification badges are done in-house, easy to print, and less expensive than the current name tags.
 - 4b. Added - TRL issued photo identification badges shall be worn unmodified and visible while on duty.

2. Draft Patron Behavior Policy – review and next steps

- Gwen noted that the Committee has received a draft copy of the Patron Behavior Policy. She said that we have found a 1985 resolution that addresses patron behavior. She recommends that we pull it out of the resolution and put it in a standard policy format. Staff is also in the process of reviewing the current patron behavior guidelines and our trespass procedures. Craig Hanson had sent Mike a Trespass form and guidelines a year ago, but we just discovered it. The goal is to come back to the Policy Committee with a policy that includes a clear administrative process district-wide.
 - Emmett made a recommendation to continue working on this policy while taking into consideration that other policies could be affected by this policy such as the Internet and Library Usage Policy. It was agreed that staff will continue moving forward by reviewing Craig's document as well as researching what other library systems have in place and if their documents are available for us to review.

3. Internet Policy – NCRL Internet Filtering Case – discussion and next steps

- Gwen asked the Committee what our next steps should be. She has emailed the NCRL decision to the Board and knows that this is a top priority for the Board and the District. After a short discussion, it was recommended that we bring it to the Board meeting as an informational agenda item to see how the Board wants to move forward. A recommendation from the group could be to wait until the new Director is hired and give this as a top priority.

4. Posting of TRL Policies on the TRL Website

- Gwen asked for discussion on posting all TRL policies on the website. This question was originally brought up at a Board meeting and it was decided that just the policies related to patrons would be posted. After further discussion at Directors Council the recommendation would be to post all TRL policies. Emmett commented that he agrees but feels that we should delineate the differences in the policies such as Administrative, Patron, and Personnel. The group agreed and will forward their recommendation to the Board.

5. Next Meeting – July 17, 2012, 11:30 am, at the Service Center
