11:30- 1:00 pm

MINUTES

Members present: Emmett O'Connell via phone, Cheryl Heywood, Gwen Culp, and Brenda Lane; recorder.

Members absent: Edna Fund, Bob Hall, Rich Park, and Jeff Kleingartner.

1. Confidentiality of Library Records Policy Review – Gwen reported that this policy was scheduled to be reviewed. Both the Public Services Team and Craig Hanson have reviewed the documents and recommended the following changes:
 - a. 4a1 - Add the word legal before guardian(s)
 - b. Add: 4a2 - *In the case of an adult user with a designated legal guardian(s), such information will also be released to the legal guardian(s).*
 - c. Change review date to March 2015
 - d. Change Executive Director to Library Director throughout the document
 - e. Policy Number changed to 006 to reflect new numbering system
2. Tobacco Free Campus Discussion – After a short discussion, staff was asked to continue to research what adopting a tobacco free campus would mean for city-owned vs. TRL buildings. The policy would only apply to TRL buildings. Gwen reported that both we have been talking with Craig Hanson and reviewing other libraries and cities tobacco free policies. The group decided that it would like to continue moving forward with a possible policy roll-out in later in 2012 or in 2013.
3. Internet Use Policy Discussion – Gwen stated that the Board directed the Policy Committee to recommend a plan for how and when to review the Internet use related policies and procedures. The Internet Use Policy was approved in 2004 and is due for review. Emmett stated that he is fine with the current policy which allows filtered and unfiltered Internet in the libraries but thinks the policy should reflect our practice of making all computers filtered in some libraries. He would like to table the discussion until we have a new Director. He asked that Gwen contact Edna and Bob and ask them how they would like to proceed.
4. Next Meeting – Tuesday, July 17, 2012, 11:30 am, at the Service Center.
