1. Review of Survey, Best Ideas, and Community Conversations

- a. Gwen Culp reported that we are still working on summarizing, extracting, and developing common themes from the over 6,000 comments from the survey. The next steps will be to analyze the data, post for staff to see, and use what we can for budget priorities.

2. Review of 2012 Final Budget

- a. Gwen shared a copy of the final 2012 budget. She stated that since Corby was not on the Board at this time last year she thought it would be good for everyone to see the final product.

3. 2013 Budget Priorities and External Factors

- a. Rick Homchick provided an overview of the draft 2013 Budget Priorities document with information about external factors that will affect revenue and expenses next year. Directors Council developed the 2013 budget priorities from the initial results received from Community Conversations, Best Ideas discussions with staff, and online user surveys.
