- Friends for their generous support and making a big difference for the patrons.
5. Correspondence – None.
 6. Public Comments – None.
 7. Board Comments – Trustee King shared that she has been busy visiting our libraries and is so impressed with the staff and the facilities we have. She said that she finds our libraries are community oriented and connected to what is going on around them. Trustee O'Connell shared that he was pleased to see that the 24 hour Zine program is coming back to Olympia. He also signed his kids up for the Summer Reading program which looks really great this year. Trustee Hall shared that he taught as a substitute recently and polled the kids on how many have a library card and was surprised at the number of kids who don't have a library card. Trustee Hardy expressed his appreciation for TRL's sensitivity to other cultures and having programs and services for our diverse communities. Trustee Blanton stated that he is impressed with not only the outreach that staff does but also the leadership within the structure of TRL. He is always aware of public trust and transparency and continues to be impressed with how open TRL is with the public. President Varness shared her excitement for the Summer Reading Program materials and how wonderful they look.
 8. Director's Report – Cheryl Heywood
 - a. Department of Transportation Road Widening Project Presentation – Deborah Boone and Dean Moon from the WSDOT gave a 5 minute presentation on the project and the impact to the North Mason Library. Ms. Boone stated that this project will impact the community in a positive way and will take place in two phases. The project is scheduled to start April 14, 2014.
 - b. Department Reports – Cheryl noted that the Department Reports are posted on the website but wanted to highlight the Summer Reading Program display and thank Ellen Duffy and the Youth Services staff for another amazing program. travel through her department from purchase to the library shelves. Cheryl applauded the Collection Services staff for their efficiency and effectiveness and said it is amazing at how much they process.

13. New Business – None.

14. Committee Reports

- a. Facilities Committee – President Varness reported that the Facilities Committee met and discussed the following items:
 - i. Oakville - Staff is working on a letter of understanding (LOU) between parties so that everyone is on the same page. A signed LOU will show commitment and clearly define responsibilities as the project moves forward.
 - ii. Amanda Park Walkway – The Engineer’s review revealed rotting boards, drainage issues, and the need for insulation replacement. A local contractor has been contacted and asked for a cost analysis to fix the issues. An estimate for replacement of the noted items will be taken into consideration before the cover for the walkway.
 - iii. Morton – Staff met with the City of Morton and the School District on June 7 and shared the feasibility study done by the architect that focused on safety, comfort, and security with an approximate cost of \$84,000. The School District and City requested the architect value engineer the building for cost savings. Staff is scheduled to attend the Morton School Board meeting on July 23.
 - iv. Toledo – Rick Homchick asked the Board to consider two action items.
 - 1. An Interlocal Agreement with the City of Toledo for library quarters and to authorize the Board President signature authority.

13-24 – HAL BLANTON MADE A MOTION TO APPROVE THE INTERLOCAL AGREEMENT FOR LIBRARY QUARTERS IN TOLEDO AND AUTHORIZE THE BOARD PRESIDENT TO PROVIDE SIGNATURE. REGINA KING SECONDED. MOTION APPROVED UNANIMOUSLY.

- 2. Approval of Resolution 13-03 Concurring with the Annexation with the City of Toledo
