She thanked her staff for their work in making the library a warm and welcoming place for their patrons and community.
7. Mother Goose Play Group – Jenny Penoyar provided an overview of a 2014 pilot program called Mother Goose Play Group which was launched in the South Bend, Raymond, and Aberdeen libraries. Jenny shared that staff noticed story times had become challenging with hit and miss participation. In order to help with this, the Mother Goose Play Group was developed. Mother Goose Play Group allows children to drop in at any time during the program and participate as little or as much as they like. As arrival and departure times are flexible, children are able to join the group in songs, stories, rhymes, group games, and free play at any time which has created a higher participation rate. Chatting with other parents, caregivers, or library staff as children explore books, toys, and blocks is encouraged and part of the positive interaction happening. Jenny said that it has been a very successful way to interact with parents who appreciate the alternative activities for children that might not be able to sit and listen to a story time.
8. Board Comments – Trustee King thanked Jenny for the wonderful explanation of the Mother Goose Play Group. It is always fun to hear about new ways to interact and meet our patron's needs. Trustee Hardy noted that he loves this time of year. The season change brings people to the library for other reasons as we use the library differently with school back in session and darker winter hours approaching. Trustee Hall shared that the South Bend school district has hired for the first time a certified school librarian which is exciting. He also agrees that with Jenny's leadership the library is looking better than ever. As he lives in South Bend, he knows how lucky we are to have her as our Library Manager.
