

Finance Coordinator

DEPARTMENT:	Finance
GRADE:	64
CLASS CODE:	FINCOORD
FLSA STATUS:	Exempt
UNION STATUS:	Non-Represented
DATE:	created March 2021, updated January 2025

Summary:

As the Finance Coordinator, you will perform complex fiscal administrative work, identify and complete a range of special work assignments, and oversee current and future fiscal processes and projects for the Finance Department. In this position, you will conduct the reconciliation of revenue and expenditure accounts and coordinate a variety of systems. You will serve as a link between Finance staff and branch and operational staff, ensuring that proper reporting and recordkeeping of assigned areas of expertise is maintained. You are a relationship builder, a listener, and an expert at customer service and problem-solving.

Reporting Relationships:

A coordinator is a subject matter expert who may provide direction to staff and works as a bridge between departments, employees, and daily functions. This position is supervised by the Finance Administrator and may receive direction from the Operations Director as part of a service-oriented team.

Work Location: This is a **Hybrid Remote position** with the expectation for both in-office and remote work from home. The employer will outline specific days or times when employees are expected to be on-site, or travel throughout the five-county district to attend events, meetings, or programs. Expectations for communications and collaboration will be outlined in a Hybrid Remote Work Agreement. Required equipment or tools will be provided by the employer.

Essential Duties and Responsibilities:

Class specifications are intended to provide a descriptive list illustrative of the range of duties performed by employees in the class. The omission of specific duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

1. Performs the monthly cash reconciliation and assists Finance Administrator in oversight of staff and activities performed in the Finance Department, to include payroll, benefits administration, invoicing, cash management, ledger development, fund auditing and budgeting.
2. Supports the compilation of monthly, annual and ad hoc reports to the Board of Trustees, State Auditor's Office and other internal and external stakeholders.
3. Review and analyze executed contracts, special provisions, terms and associated documents for completeness and adherence with stated state and federal requirements and Timberland's own policies, procedures and guidance.
4. Ensures payments are scheduled and issued in compliance with contract guidelines and required close-out documents have been obtained prior to issuance of final payments and/or retainage.
5. Coordinates with internal and external stakeholders to support and maintain administrative processes such as the State Auditor's Annual Report Filing, Department of Revenue's Unclaimed Property Filing, monthly use tax process, surplus and inventory procedures.
6. Develop and support tracking systems for creating, editing, storing, monitoring, administering and managing new and existing Finance Department asset management and recordkeeping programs.
7. Assists in the evaluation, recommendation, development, and implementation of strategic plans, policies, procedures, and departmental goals and objectives. Serves on applicable committees as a representative of Finance department and may provide administrative support during contract negotiation cycles.

Core Skills and Qualities:

Employees are expected to demonstrate the following qualities at all times:

1. Demonstrate quality customer service.
2. Communicate effectively verbally and in writing
3. Exhibit reliability and dependability.
Maintain regular, reliable, and punctual attendance
4. Demonstrate a positive attitude and flexibility.
5. Work well with others, show respect, contribute to the team.
6. Demonstrate TRL values of service, integrity, collaboration, and community focus.
7. Demonstrate leadership.
8. Establish and maintain effective working relationships with internal staff.

Required Knowledge, Skills, and Abilities:

Employees are expected to perform or possess the following:

1. Knowledge of public procurement and contract management regulations, requirements and best practices.

2. Familiarity with Washington State RCWs and WACs and the ability to interpret them as needed.
3. Experience interpreting competitive bid contract terminology and development, practices and procedures.
4. Ability to identify instances in which contracting terms and other circumstances may be non-compliant with state and federal guidelines as well as Timberland's own policies.
5. Ability to write clearly and effectively and able to explain complex financial and contract management topics with general, easy to understand terminology.
6. Demonstrate strong planning and/or project management skills.
7. Strong ability to work effectively in a team environment.
8. Ability to work independently with limited supervision and reliable professional judgment. Must be able to judge appropriately when to decide, when to seek guidance, and when to communicate decisions to others.
9. Committed to Equity, Diversity, and Inclusion.

Technology Requirements:

- Computerized payroll systems and standard office software.
- Ability to navigate, search and use web function and software applications (i.e., attendance systems, performance reviews)
- Microsoft Office Suite skills (e.g., Outlook, Word, Teams) to satisfactorily complete job responsibilities.

Desired:

- Strong experience in customer service, administrative support, or working with people, teams, or projects is preferred.
- A willingness to learn new skills, processes, through training and shadowing.
- Effective time management skills, including the ability to multitask, manage multiple projects at the same time, and adapt to the changing priorities to meet Finance Department needs.

Education and Experience:

Bachelor's degree in Finance, Accounting or Public Administration and experience working in an accounting, contract compliance administration or purchasing role to facilitate the purchase of goods and/or services.

Licenses, Certifications, and Special Requirements:

- A valid Washington State Driver's License and an acceptable driving record.
- Ability to pass and maintain a suitable criminal background check (per RCW 43.43).

Physical and Environmental Conditions:

- Work is performed in a standard office environment but may include contact with the public in a library environment.
- Subject to sitting, standing, walking, bending, reaching and occasionally lifting objects up to 40 pounds.
- Occasional travel is required to attend meetings at other sites and locations, or to participate in work-related assignments.

The above job description is not intended as, nor should it be construed as, exhaustive of all responsibilities, skills, efforts, or working conditions with this job.

This and all TRL (Timberland Regional Libraries) positions are subject to transfer, based on library need.

Reasonable accommodation may be provided to enable qualified individuals with disabilities to perform the job's essential functions. Timberland Regional Library is also an Equal Opportunity Employer.
